

Zeversolar Warranty Registration Instructions

Activate your warranty program for Zeversolar products by completing your registration in just a few simple steps:

Step 1:

/Go to www.zeversolar.com

/Select “Service”, then from the drop down menu choose “Warranty”

Step 2:

/Download the Zeversolar Warranty Registration web form.

Step 3:

/Complete the form as fully as possible, all fields marked with an asterisk are required. If you are completing the manual version of the form, you will need to sign and scan or take a picture of the completed form.

Step 4:

/Scan or take a picture of your invoice for purchase of your Zeversolar products

/Scan or take a picture of your invoice of the purchased Warranty Extension Code

/Scan or take a picture of your document of installation or commissioning, to prove date of installation and installation by a qualified technician.

(Note: the total accumulated size of the attachments must not exceed 5MB)

Step 5:

/Attach the Zeversolar Warranty Registration form together with the 3 documents from Step 4 to an email. In the subject line type “Warranty Registration Application – (serial number) – YYYYMMDD”

Step 6:

/Send your email to “ warranty.registration@zeversolar.com ”

Step 7:

/You will receive feedback about your registration via email within 5 working days, and will receive warranty certification if your application is registered successfully.

Congratulations!!

You have now successfully completed your registration application.

Thank you for your trust in Zeversolar products and services. By utilizing solar energy you are reducing CO2 emissions and sharing the Zeversolar vision of changing the world day by day.

To view or download the terms of your warranty, please visit our website:
